

# HUSA Academy Center of Training

## Youth Academy Programs

HUSA will be offering the following programs for the up-coming spring sessions. All players will be fit into the Long Term Player Development Model developed by CSA where players will be given the opportunity to develop their skills and passion for the game in a friendly learning environment. All curriculums are developed around the basic skills sets of soccer (dribbling, passing, control, and physical coordination and soccer specific movements). Players will learn in games suitable to age and ability.
