4. What if my child's year of birth is 2006 or earlier?

Your child should be enrolled in Youth Soccer through our zone (Aurora Soccer).

No, unfortunately this is not permitted by Saskatoon Youth Soccer. Note that SYSI considers U6-U10 to be non-competitive. Scores are not kept during games.

Registration for U10 Developmental league is through the Aurora zone. Please see www.aurorasoccer.ca and www.saskatoonyouthsoccer.ca for details.

7. Will U7 be co-ed or will there be a boys/girls team only? How about U8 and U10?

This will depend on the number of players that are registered. SYS will allow co-ed teams for U7 if there are not enough players to make a team. A minimum of seven players are need to form U7 team. The coordinators will also be communicating with other community associations to determine what they are doing. If we do not have enough girls or boys to form a team we will ask the registers players see if other community associations need players to make up a team. The U8 and U10's will have separate girls and boys team(s).

8. What equipment do players need?

Runners and comfortable clothes are fine. Shin guards are recommended for U6-U10. If shin guards are worn, they must be covered in order to prevent injury to other players. Most of the older players wear soccer cleats. Team shirts and soccer balls are provided.

Yes! We are always in need of coaches. In fact, if a parent on your child's team does not step up to coach, we will have to refund your money and your child will not be able to play or play in another community association team.

Family WUHCA Memberships run September to August, so you will need a new membership if you have not purchased one since September. Memberships can be purchased online at the time of registration.
