

President's Message

The Willow Grove and University Heights Community Association want to wish you and your family a comforting holiday season and a prosperous 2024!

As the community association, our priority is to create a sense of connection in our communities by organizing programs for children and adults, coordinating family fun days, community garage sales and more. We foster connection through our bi-annual newsletters, updates to our website and on our Facebook page. Our mandate also includes community safety, traffic flow, local resources and representing our community with elected officials. Each year at our annual general meeting, we invite our municipal and provincial elected officials to provide our community with an update of their current priorities, while giving community members an opportunity to connect with our local leaders.

Our goal is to create a thriving community that feels connected to each other, to our community, to our city and to our province. If you have any suggestions, feedback or want to join our community leadership, please reach out to me at president@wuhca.ca. I look forward to connecting with you!

Get involved

Board Positions

Join us to make our communities the best neighbourhoods in Saskatoon. Get to know neighbours, and make a difference in a variety of coordinator positions.

Coach

Volunteer coaches are the backbone of our programs. Whether you have a child enrolled in a program, or you have a passion for the sport, you can fill an important role in young people's lives as a role model and leave a lasting impression for years to come.

Check out our website for more information about all volunteer opportunities! <https://wuhca.ca/volunteers/>
